**# Oilfields Supply Company Saudi
(CNC OPERATOR)**

setup, programmer, Operator

Skills

- Machineng & Mechanical skills.
- Mechanical code and standers.
- Mechanical maintenance and repair.
- machines,equipment and tools needed for assembly
- Good Mechanical background.
- Communicate clearly and effectively.
- Collaborative with other.
- Great team player.
- Excellent computer skills.
- Read/write/speak English.
- Effective time management.
- Flexible to work requirements.
