## QC Inspector

### SUMMARY

Detail-oriented and certified Quality Control (QC) Inspector with over [3] years of hands-on experience in inspection, testing, and documentation across [industry, construction, manufacturing]. Proficient in applying international standards (ISO) to ensure product and process compliance. Strong background in non-destructive testing (NDT), welding inspection, and quality audits. Adept at identifying defects, implementing corrective actions, and supporting continuous improvement initiatives. Committed to maintaining high-quality standards, safety, and regulatory compliance across all project phases.

### WORK EXPERIENCE

#### RICI COMPANY | Lab Technician | Jul 2024 – Feb 2025

- Inspected project sites, monitoring progress and adherence to design specifications, safety protocols and sanitation standards.
- Tested and classified materials according to detailed specifications.
- Organised material, determined area of emphasis and wrote stories according to prescribed editorial style and format standards.
- Maintained high-quality supplies sufficient to cover laboratory needs.
- Drafted high-quality project reports and specifications using Excel.

#### ACCURACY COMPANY | NDT Inspector | Apr 2023 – Dec 2023

- Conducted detailed mechanical inspections and assessments.
- Performed non-destructive testing (NDT) including ultrasonic and radiographic methods.
- Prepared and maintained comprehensive inspection reports and documentation.
- Collaborated with cross-functional teams to ensure quality standards.

#### C.A.T Group | QC Inspector | Feb 2021– Feb 2023

- Collaborated with design and construction teams to ascertain and meet technical scope.
- Identified project constraints, using technical knowledge to advise on alternative solutions.
- Checked designs for potential risks and non-conformance issues with health and safety regulations.
- Supported cost and quantity estimations for improved work schedule planning.

### EDUCATION

#### Diploma of Higher Education | Quality Control | ITQAN Institute | Feb 2023

GPA: 3.55 out of 4.00

- Saudi Engineering license: 968423

### SKILLS

- Microsoft Application
- ASTM
- Team Worker
- Problem- Solving
- Quick Learner
- Quality Control
- Ultrasonic Testing (UT)
- Radiographic Testing (RT)
- Magnetic Particle Testing (MT)
- Liquid Penetrant Testing (PT)
- Visual Testing (VT)
