

## CURRICULAM VITAE

**MD. IMRAN**

**POST- CIVIL ENGINEER, QA/QC INSPECTOR**

**E-mail: - [imranayc42@gmail.com](mailto:imranayc42@gmail.com)**

**Mob: - +91 9199575532**

**Location: - Kolkata (West Bengal)**

### **CAREER PROFILE:**

A Proficient experience in Civil Engineering ( Building , Pipe Line ) as a QA/QC in the area of Project execution with extensive field base operational exposure experience , in executing large project & Service Operation Skillful at evaluating problems and communicating potential solution. Capable of making significant contribution to the efficiency of any organization by working with scrupulous professionalism.

### **CAREER SUMMARY:-**

Achieved construction activities like Excavation, Foundation, Pcc, Waterproofing, RCC, Pipeline, Shuttering, steel fixing including making of Bar Bending Schedule, casting concrete, Block work and Brickworkmasonry, plastering, Tile fixing etc. Upton completion. Independently following with Design engineers of, Architecture and Structural updated drawings of minor changes, as per site requirement needed and Inspection before pouring.

#### **Project Management with Quality.**

- **Project Teamwork**
- **Knowledge of construction methods & construction sequences in civil works.**
- **Sound knowledge of engineering software.**
- **Well familiar with Indian standards.**
- **Well in working and leading in a team as a team member.**

### **TECHNICAL QUALIFICATION:-**

- **DIPLOMA IN CIVIL ENGINEERING**, from Azmet College of Engineering & Technology, STATE BOARD OF TECHNICAL EDUCATION, Bihar (INDIA)
- **B. TECH IN CIVIL ENGINEERING**, from Intellectual Institute of Management & Technology, Govt. of NCT Delhi & MSME.

### **Resume Headline:**

**Having 8 Years experience in Execution of Building Construction & Water Pipe Line Projects for the Residential, Commercial Building, Industrial Construction.**

#### **EMPLOYMENT DETAILS:**

4. Organization: Al-Yamama Company.  
Designation: QA/QC Inspector  
Tenure: 2023 to till now  
Project name: Jubail water improvement Project 1 & 2 strategic Distribution Network & Reservoirs with consultant, ILF Consulting Engineers.  
Client name: National Water Company
3. Organization: Al-Yamama Company.  
Designation: QA/QC Inspector  
Tenure: 2022 to 2023  
Project name: DM3-Dammam water improvement Project south strategic Network & Reservoirs with consultant, ILF Consulting Engineers.  
Client name: National Water Company
2. Organization: Al-Yamama Company.  
Designation: QA/QC Inspector  
Tenure: 2018 to 2022  
Project name: Fire & Water Network Project, (Macca) Saudi Arabia.  
Client name: National Water Company (Saudia Arabia)
1. Organization: ECR Buildtech Pvt Ltd (Contractor & Engineers)  
Designation: Site Engineer  
Tenure: 2017 to 2018  
Project name: Fulfillment Center Amazon Projects, Lucknow, UP (India)  
Client name: Nanak Logistics Pvt Ltd

**Working as Quality Control Civil Engineer with Al -Yamama Company for National Water Company, Project**

**Jubail water Improvement Project 1 & 2 Strategic Distribution Network & Reservoirs with Consultant ILF Consulting Engineers.**

**RESPONSIBILITIES:**

- Review scope of work and gathered all information related to project specification.
- Inspection of Ground level coordinates along the length of Water pipeline with approved drawing prior to Excavation.
- Checking the depth, width & bottom level of the excavated trench prior to granular bedding.
- Doing inspection for top of granular bedding prior to installation of ductile iron pipes.
- Responsible for checking ductile iron pipe top level prior to do side backfilling beside the pipes & Hydro-Test.
- After Hydro-Test, initial backfilling starts up to top of the pipe with pure sand and so on up to the top.
- Implementation of Project Quality Inspection & Test Plan (ITP) and its checklists (SATIPs & SAICs) during construction execution process, considering Hold and Witness points.
- Develop and determine all standards to perform inspection and tests on procedures and oversee all testing methods and maintain high standards of quality.
- Raising Pro-Active notifications as well as Log Book Entries to Site Engineers and copying key persons as per the related degree of violation.
- Identify and report nonconforming work in accordance with the company quality standards and the project quality plan.
- Verify nonconforming work is completed as per agreed resolution.
- Develop & issue method statement as per project specification and requirement.
- Solve technical issues on site.
- Analyze all products and non-conformance processes and evaluate all documents to ensure maintenance of optimal quality and prepare monthly reports to evaluate performance.
- Monitor an efficient system and record for project activities and analyze all processes to ensure all work according to quality procedures.
- Strictly following project specification and ASTM & ACI for all civil work on site as well as in lab.
- Testing of Concrete by Sampling at Site also witnessing the crushing of cylinders to get the required strength at the designated standard time of 7, 21 & 28 days.
- Conducting Compaction test after getting proctor value of the sample used for backfilling.
- Sampling of Selected Fill materials to be conducted for getting prior approval of backfilling materials to be used at site as per the AASHTO soil classification system.
- Established as well as managed the Laboratory for testing of materials i.e. including crushing of concrete cylinders, cubes etc. Also the Marshal test for Asphaltting works.

- Created sampling and involved deeply in the mix design for concrete as well as Asphalt to get approved by MOT and its designated authorities.
- Conducted sampling at site for Concrete regularly, used ad-mixtures for increase and decrease setting time of concrete.
- Also worked at the Concrete batch Plant in order to get random samples of Asphalt and Concrete to be used by the road and bridges related concrete structures such as Retaining walls, Bridges, Slope Protection , BOX and PIPE culverts etc.
- Maintain proper records for all test reports as to be submitted to ministry of transport during project handover phase.

**PERSONAL DETAILS:**

Name	<b>MD. IMRAN</b>
Father's Name	<b>MR MD. KHURSHID</b>
Religion	<b>ISLAM</b>
Date of Birth	<b>04 OCT 1993</b>
Gender	<b>MALE</b>
Marital Status	<b>SINGLE</b>
Nationality	<b>INDIAN</b>
Language known	<b>ENGLISH, ARABIC , URDU &amp; HINDI</b>
Driving License	<b>Available ( Saudi Arabia)</b>

I hereby declare that the above written particulars are best of my knowledge and belief.

Yours faithfully,
