## CIVIL ENGINEER

+966 546145137 | [eng.nedal1992@gmail.com](mailto:eng.nedal1992@gmail.com) | Jeddah, Saudi Arabia | <https://www.linkedin.com/in/nedal-fawzy>

---

### SUMMARY

---

Highly motivated Civil Engineer with 7 years of comprehensive experience in construction, project management, technical office operations, and dealings with municipalities and governmental entities across major infrastructure, residential, and commercial projects in Saudi Arabia and Egypt. Proven expertise in site supervision, quality control, technical detailing, project budgeting, and cost control. Experienced in handling permits and project coordination with Saudi municipalities, particularly Jeddah Municipality (Amanat Jeddah). Skilled in paperless project management and document control using Unifier software. Proficient in tendering and bidding through the Etimad platform, quantity surveying, and preparation of interim payment certificates. Strong leadership, problem-solving, and communication skills, capable of managing multidisciplinary teams and ensuring project delivery within time and budget constraints. Fully committed to continuous professional development and excellence in the construction field.

### PROFESSIONAL EXPERIENCE

---

#### Global Falcom Trading Co., Jeddah, KSA

Dec 2022 – Present

##### Project Engineer

- **Projects:** Jeddah Yacht Club (Infrastructure, Roads, Hardscape, Building Finishing)
- Al Sadan Project (NHC)
- Soliman Al Habib Hospital at KAEC
- Holy Sites Development in Makkah (Royal Commission)
- Lucid Motors Factory at KAEC
- Al Saja Garden Project
- Supervised all civil site activities including foundations, superstructure (P.C. & R.C.), masonry, plastering, waterproofing, landscaping, and architectural finishing works.
- Ensured strict adherence to quality standards and project specifications through consistent site inspections and material approvals.
- Prepared and reviewed shop drawings, bar bending schedules (BBS), quantity surveying, and technical submittals.
- Coordinated between consultants, subcontractors, and project stakeholders for seamless workflow.
- Managed project schedules using Primavera/MS Project and ensured timely completion of milestones.
- Led site meetings, prepared daily, weekly, and monthly progress reports.
- Handled contractor evaluations, price negotiations, and cost management.
- Liaised with Jeddah Municipality (Amanat Jeddah) for permits, inspections, and compliance-related tasks.
- Utilized Unifier software for digital project documentation, tracking approvals, and ensuring streamlined project workflows.
- Handled tender preparation and submission via the Etimad platform, including BOQs and required technical/commercial documents.
- Prepared quantity take-offs, progress billing, and interim payment certificates (IPC).
